BACKGROUND: The additional hearing relates to the second of two reports that the Commission is preparing on the role of digital trade in the U.S. and global economies at the request of the U.S. Senate Committee on Finance. The Commission held a public hearing in connection with both reports in Washington, DC, on March 7, 2013. The first report, *Digital Trade in the U.S. and Global Economies, Part 1*, Investigation No. 332-531, will be available to the public on August 15, 2013, on the Commission's website (<http://www.usitc.gov>). As requested by the Committee, the Commission will base its report in this second investigation on available information, including a survey of U.S. firms in selected industries particularly involved in digital trade and the application of approaches outlined in the first report. To the extent practicable, this second report will:

- estimate the value of U.S. digital trade and the potential growth of this trade (with the potential growth estimates to highlight any key trends and discuss their implications for U.S. businesses and employment);
- provide insight into the broader linkages and contributions of digital trade to the U.S. economy (such linkages and contributions may include effects on consumer welfare, output, productivity, innovation, business practices, and job creation);
- present case studies that examine the importance of digital trade to selected U.S. industries that use or produce such goods and services, with some of the case studies to highlight, if possible, the impact of digital trade on small and medium-sized enterprises; and
- examine the effect of notable barriers and

impediments to digital trade on selected industries and the broader U.S. economy.

The Commission expects to transmit this second report to the Committee by July 14, 2014.

For the purposes of this investigation, the Commission is defining “digital trade” to encompass commerce in products and services delivered via the Internet as well as commerce in products and services that is facilitated by the use of the Internet and Internet-based technologies. Commerce includes both U.S. domestic economic activity as well as international trade.

PUBLIC HEARING: The additional hearing will be held at the NASA Ames Conference Center/NASA Research Park, Building 152, Room 171, 200 Dailey Road, Moffett Field, CA, beginning at 9:30 a.m. on Wednesday, September 25, 2013. Requests to appear at the public hearing should be filed with the Secretary, no later than 5:15 p.m., September 12, 2013, in accordance with the requirements in the “Requests to Appear” section below. All pre-hearing briefs and statements should be filed not later than 5:15 p.m., September 18, 2013; and all post-hearing briefs and statements responding to matters raised at the hearing should be filed not later than 5:15 p.m., October 3, 2013. In the event that, as of the close of business on September 12, 2013, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant should contact the Office of the Secretary at 202-205-2000 after September 12, 2013, for information concerning whether the hearing will be held.

This field hearing is being planned in conjunction with a field hearing to be held on September 26, 2013 for Inv. No. 332-541, *Trade Barriers that U.S. Small and Medium-sized Enterprises Perceive as Affecting Exports to the European Union*. Interested persons who wish to present consolidated statements and testimony relevant to both investigations are invited to do so on Wednesday, September 25, 2013.

REQUESTS TO APPEAR: Requests to appear at the Moffett Field, CA hearing may be in the form of a letter, which should be on company or other appropriate stationery. Requests should identify the name, title, and company or other organizational affiliation (if any), address, telephone number, e-mail address, and industry or main line of business of the company, if any, of the person signing the request letter and of the persons who plan to appear at one or both hearings. Requests to appear may be made by mail or

delivered in person to the Commission's Office of the Secretary (see "ADDRESSES"), or may be filed by e-mail sent to digitaltrade@usitc.gov. The Commission does not accept requests filed by fax.

All written submissions, except for confidential business information, will be made available for inspection by interested parties.

In its request letter, the Committee stated that it intends to make the Commission's reports available to the public in their entirety, and asked that the Commission not include any confidential business information or national security classified information in the reports that the Commission sends to the Committee. Any confidential business information received by the Commission in this investigation and used in

preparing this report will not be published in a manner that would reveal the operations of the firm supplying the information.
